

# NOTHING AT ALL

I don't want to know what you did last night  
You don't have to tell me, it's alright  
Pick you up at 8, don't be late  
Tell me anything  
Everything always seems better  
than nothing at all

Don't pretend to know what you're thinking  
I just look and stare while  
you're sipping your drink  
If there was a place in time I'd rather be  
it changed over again,  
every second, it's you and me

Something in your eyes knows the answer  
Something in the universe  
dares me to blink  
Steady as I'll ever be  
Ready to do as you say  
As you you do  
As the stars must have always been

I don't want to know what you did last night  
You don't have to tell me, it's alright  
Ready as you'll ever be  
Please tell me anything  
Everything always seems  
better than nothing at all.
