

HURTS SO BAD

Like a punch to the gut
taking air like a thief
as I choke on my breath
I'm the joke, I'm the butt

Like a fall from the sky
in the dark of the night
to a bottomless pit
it won't stop

Like a tidal wave come
swept me up in its womb
it won't drop
Won't stop

Hurts so bad
Hurts so bad
Hurts so bad
It keeps on getting harder
Stop

Like an infinite dream
cutting deep in the wound
streaming tears like a storm
open wide, choke the scream
like a fall from the sky
to a bottomless pit
It won't stop, won't stop
it won't stop

Hurts so bad
Hurts so bad, hurts so bad
Hurts so bad
It keeps on getting harder
It keeps on getting louder
Stop

Hurts so bad
Hurts so bad, hurts so bad
Hurts so bad
It keeps on getting harder
Stop

It won't stop
It won't stop
It won't stop
